Better the Man with His Eye to the Sky than the Man with His Ear to the Ground

ALL through its long, successful history, General Motors of Canada has had its eye to the horizon.

Listening not for what followed, but looking always toward the thing ahead.

And General Motors has seen many of its visions realized.

It has seen a great industry grow up in Canada to supply the Canadian family with a means of transportation to meet its needs and resources, to answer the desire for style, dependability, luxury.

It has seen, in the Canadian Fisher Body plants, the perpetuation of Canadian ideals of craftsmanship.

It has seen, in the General Motors Research laboratories, the development of countless advances and refinements on which much of modern motor comfort depends.

It has seen, on the General Motors Proving Grounds, the proof of principles which are now accepted factors in automobile design and construction.

It has seen the triumph of co-operative purchasing and manufacturing methods with their resultant economies to be shared with the buyers of General Motors cars.

And the eyes of General Motors are still to the horizon.

Still seeking new ways to improve General Motors cars and to place the cars within reach of ever-widening circles of Canadian buyers.

Delia Board of Trade

At a meeting of the executive of the Delia Board of Trade it was decided to hold a dinner in the Queen's Hotel on Thursday, the 3rd of November, at 8 p.m. complimentary to the Board of Highway Commissioners, who will be in Delia on that date. This dinner is open to all people of the town and district who would like to attend, and the tickets can be obtained from the Secretary-Treasurer, or from Mr. R. A. Stewart.

The purpose of the dinner is to discuss, in an informal way, the proposed main highway which will be built next year from Munson to Delia, and discuss the possibility of having the road come through town. It is hoped that as many people as possible may be present at the dinner to hear the discussion as to the proposed road, and tickets can be obtained from either of the above mentioned at the price of \$1.00 each.

CRAIGMYLE NEWS.

On Friday evening last the local lodge of the Eastern Star held their annual masquerade ball, and a very large crowd spent a most enjoyable time.

On Sunday evening last the service in the United Church here was conducted by Rev. J. E. Gieson, of Delia, while the Rev. F. Porter, of the local United Church, conducted the service at Delia.

Miss Alice Richards of High River, arrived on Saturday evening's train to visit her sister, Mrs. A. W. Wilson.

Mr. and Mrs. Glen Stierling are being congratulated on the birth of a son at the Scottish Private Hospital, Calgary, on Friday, 29th ult.

Mr. and Mrs. G. J. Gibson and children, accompanied by Mrs. N. Taylor and Mrs. G. W. Deising, drove to Calgary last Sunday.

Robert Noble, of High River, returned to Calgary on Monday after spending some of last week here attending to his interests in this district.

Civilization is just a few bushes from giving a firmer grip on the reins.

Delia Women's Institute

The Delia Women's Institute met on Wednesday last in the United Church, Mrs. N. Barker presiding. It will be remembered that the Institute offered a prize of \$10.00 to the pupil who made the highest percentage in the Departmental Examinations. Mrs. Hamilton reported that 14 pupils, on Grade VI, pupil of Delia High School, gained an average percentage of 76, and that the prize would be awarded.

Mrs. Hoger gave a short report on the Mothers' Club that has been meeting during the summer months. This club is for the mothers of young children, and a second meeting of study is being arranged. Any mother who is interested is welcome to join.

Mrs. Bigelow, Mrs. Bane, and Mrs. A. Anderson were appointed to arrange an entertainment, to be held during the latter part of November.

The subject of forming a club for the study of Home Nursing was discussed, and it was decided to open one in early January.

Mrs. Bane will be the instructor, and the course will be eminently practical.

Mrs. Duvall gave a highly interesting account of her early days in this country.

Mrs. Duvall and her young family settled in the north country some twenty years ago.

Her experiences were varied, tragedy and comedy going hand in hand, and her description of these days were very amusing and full of individuality.

Mrs. Gieson, Mrs. Harcourt, Mrs. F. Mann and Mrs. Schatz were the guests.

Ruddy Canadian Apples For Overseas

"What shall I send the folks in Old Country?" is a query heard as the Canadian apple season opens. The average Canadian seldom has much opportunity of seeing the fruit of his own country, and the few who do are often disappointed.

The thrilling meetings held on every day, and the splendid weather of the past few days are ideal.

Some splendid reports of large yields of wheat are being given. Mr. Cameron's entire crop of number-one and breaking yielded 47 bushels per acre.

Mr. John Blair's yield, from breaking 30 bushels per acre; Mr. R. Sargent's Garnet wheat yielded 40 bushels per acre; Mr. L. Newman's Spring Blue yielding 43 bushels per acre.

Rev. J. E. Gieson, of Delia, held service in the school here on Sunday p.m. Mr. Gieson announced that a special Thanksgiving service is to be held on the 24th of Nov. 13, at which a Thank-offering will be received.

Mrs. R. Morrison is visiting her brother in Calgary.

Mr. and Mrs. D. Knott, of Morin, called on friends in this district on Sunday.

Mr. and Mrs. Joe Morrison, of Morin, were visitors in the neighborhood last week.

Mr. and Mrs. E. Long are being congratulated on the birth of a daughter.

Mrs. G. Long and infant son returned home on Sunday from the Drumheller hospital.

Mrs. B. Allen, who had been caring for a patient near Redland, has returned home.

Some of the farmers in this valley have purchased motor trucks, and are busy painting two and to the elevators marketing their crops.

Annas Jane Brown, G. E. Hewson, Walter Jarvis, and J. Fulton.

The October meeting of the Women's Institute was held at the home of Mrs. Hewson on Thursday last.

Madame Richmond, MacPherson, and Newman sang at the meeting.

This meeting celebrated the ninth anniversary of this branch of the W. I.

A beautiful birthday cake held the place of honor in the center of the table. It was decorated by nine candles which were lighted at the lunch hour.

Mrs. Newman read a short history of the past nine years from the records of the different secretaries and treasurers.

From a small beginning in 1918 this W. I. branch has progressed very favorably, at one time having a membership of about one hundred.

Then it was decided to form another branch, and some two or three years ago the north section of the community organized into the Majestic and Farrel Lake W. I. Seven of

AN EERIE NIGHT

The sophisticated and materialistic

world no longer believes in

ghosts, good fairies, witches and

magic charms, but life has not been de-

stroyed at all from the traditional

observance of Halloween, the Day of

All Saints' Day, and the night on

which the shadowy denizens of the

spirit world return to earthly

things.

So last Monday evening when

night drew her curtain across the

world the unbelieved wonders

suggested the "real" ghosts, black

cats and long, thin, pale, white

make-believe eerie souls of pun-

kie, noise makers and pumpkin

face. Halloween's parties, street

costumes, and candy, costumes and

confetti, and pranks playing had

universal permission to monopolize

the spotlight. And as the witching

hour of twelve drew near some un-

faithful ones glanced covertly back

at the shifting shadows, and jumped

at every squeak of the chamber

doorway. After all Halloween

wouldn't be half so much fun if

there was no superstition attached

to it, and the fact that it is one of

the most interesting of suggestions

made is very less effective for the

purpose of Allhallow's night.

In its overmarking the com-

munity are not to forget the dole-

ful significance of this night. Primarily

it is an observance of All Saints'

even, but it is also a harvest cel-

ebration. The frothy pumpkin, the

rustling corn sheaf and the bobbing

apple play an important part in

the ceremonial celebration, and in

separately link Halloween with the

harvest time.

It is interesting to note that the

good rains have shown rare wisdom

by making their autumn pilgrimage

back to earth in the heart of the

harvest season.

Work to Start on Pool Elevator

at Coast

The contract for the big terminal

structure to be erected at Vancouver

by the Alberta Wharf Pool has been

let to the Northern Construction

Co. Ltd., of Vancouver. The work is

announced from the head office of

the pool in Calgary.

The elevator when completed will

be used to transport one million

of tons of cargo, and will have a

capacity of some 2,400,000 bushels.

Plans call for the completion in time

to handle the 1929 crop. This year

the pool is operating under lease

the No. 2 terminal of the Vancouver

Harbor Board, which has a capacity

of 1,600,000 bushels.
